### MARCH 2012

Well here we are at the end of March and moving into autumn, where has the summer gone? One of the wettest I can remember however the course has stood up well thanks to Scotty and his team. The coring has gone well and with rain the greens have recovered and are rapidly returning to their usual high standard.

#### **Love the Course**

"Love the course" working Bee's have been very successful, remember they are on the 3<sup>rd</sup> Monday of every Month starting at 9:30am and are an excellent social event with a Beer provide after a "hard" days work. The look of the course has really been improved and it's a good opportunity to have a clear out under the trees and some say in removing the branches that grab your ball!

#### **Dunlop Targa Rally**

Once again we hosted the function for the final day of the Dunlop Targa Rally. The day was organized by Ian Anderson and many volunteers put in a lot of hours helping out and our thanks go out to these people. I would like to thank all these people but especially to Denise Orton who spent so much time ensuring that the food was well prepare and served on time. The BBQ,s were sizzling and both the bars were buzzing, it was a great fund raising event for the club. I spoke to several people including the Rally organizers who praised the food and said it was their favorite stop.

#### **COMING EVENTS**

Several events are scheduled for April.

Sunday, 1<sup>st</sup> April is our Mixed Social Open tournament (Lockyer Cup for our members) with tee times available between 10am and 12.30pm.

Easter weekend is the Maori Tournament with the Course closed for the Saturday and Sunday.

We are hosting R6 Vice Presidents on Sunday 15<sup>th</sup> April the course is completely closed until 1pm

#### **HELPERS**

We are putting together a list of people in the club that we can call on for advice.

The occupations that we are in need of at the present time are

Accountant, Plumber, Computer Expert, Builder

If you have one (or more) of these talents please let me or one of the Committee know. It would be good to know peoples expertise not only for advice but also when we have to pay someone to do a job it is better to give it to a Club member than an outsider.

#### **FUNCTIONS**

Our Clubrooms and the course are always available for hire. Engagements, Weddings, Birthday Parties Anniversaries, Corporate Functions can all be catered for and the course is an ideal background for photos.

If you know of a function coming up please remember to promote our club

Trevor Strang is looking after Functions and his contact is 232 8551

Enjoy your golf and remember if you have any suggestions or ideas please feel free to leave them in the Suggestion Box in the pro shop or contact me on 238 1474

Cheers

Graeme Deighton
